MOBILE SYSTEMS

- Custom Mobile Rack Ready Trucks
- TM Vans to Full Command Centers
- SUVs, Vans, Trucks & Trailers
- ISO SCIF Shelters
- Surveillance
- UAS Beyond Line of Sight (BLOS)

TOSV
TECHOPS Specialty Vehicles

Quasonix

Telemetry Products

- Telemetry Transmitters & Receivers
- Multimode - FM, SOQPSK and
- Multi-h CPM
- Multi-band - L/S/C
- EVTM - Ethernet via Telemetry
- STC - Space Time Coding Systems Receiver Loggers & Analyzers

Telemetry Antennas

- Telemetry Tracking Antennas
- Bore Site Systems
- QBeam Array Processor
- L/S/C Fixed & Mobile Systems

enDAQ

- Shock & Environmental Sensors
- Handheld Form Factor
- User Programmable Conditions & Rates
- Micro Dataloggers & Sensors

SPECTRA

Defense Technologies

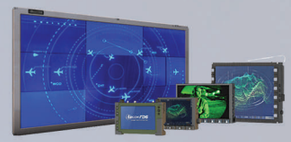
CALCULEX

Spectra Defense Technologies

- Rugged Mission & Video Recorders
- IRIG 106 Chapter 10 & TMATS
- SS Recording up to 25Gbps & 640TB
- CFast, NVMe, & Ultra-High Density RMMs

ARGON

Spectra Defense Technologies



- Fully Customized, flexible Designs
- Fully enclosed, no fans
- Smallest Bezel in the Industry
- Optical Bonding or Non-Optical Bonding

GALLEON

Spectra Defense Technologies

- Rugged Mission Computers & Servers
- Rugged Network-Attached Storage
- High-Capacity High-Density Storage
- Deep sea to harsh space capabilities

L3HARRIS

Telemetry Products

- Airborne Telemetry & RF
- Missile Encoders
- Encryption/Decryption
- Tone-based & EFTS Flight Termination Rx

Autonomous Flight Termination Systems

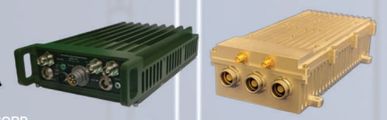
- Hypersonic & Rocket Instrumentation
- Autonomous Flight Termination Units
- RCC-319 & RCC-324 Certified
- Proven on Atlas V, Delta IV, SLS, Shuttle, ISS

AstroNova

- Data Acquisition Systems
- Recorders or Paper Charts
- Portable or Networked
- DSP/Channel 200ksps> 800ksps> 50msps

RSS

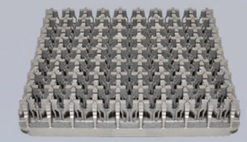
RELIABLE SYSTEM SERVICES CORP.



- 1 USDR>Univ. Software Defined Radios
- 2 Airborne Anit-Jam Dynamic Filters 3
- Tactical Data Links 60MHz>6GHz 4 IRIG
- Flight Termination Tone Test Sets

OPTISYS

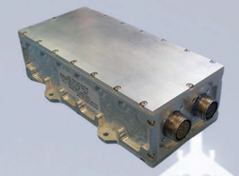
Antennas Reimagined



- Antenna & RF Solutions
- Electronic Steered Arrays
- Weapons DL & Conformals
- SIGINT, ELINT, & EW Systems
- Tactical VSAT GBS Terminals

FISICA

SPACE VECTOR



- Lithium-Ion rechargeable batteries
- Solutions for UAVs, rockets, and missiles
- Flight Termination batteries
- SVCharge Smart Battery Technology
- Battery Management Systems (BMS)

TRANSIT CONTAINERS

- Aluminum & Composite
- Custom Missile Cases
- Best SWaP, Mil-Spec
- Stackable 19” Rackmount Cases
